

Sabine Hübner

When it comes to improving service, Sabine Hübner is the one who gets people moving. Her heart beats for the topic of service, and you can feel that in all her actions. She is characterised by her sharp wit, clear expression, eye-catching XXL glasses and a big heart. In Germany, Austria and Switzerland, she works as a service performance consultant for the top players in the industry. What makes her unique is her diversity of industry knowledge. She combines intelligent services, efficient processes and empathetic customer interactions in a unique way. Together with her team at forwardservice, she promotes empowerment...
