Uncertainty expert and professor of strategic innovation

Prof. Vaughn Tan

Vaughn Tan is a consultant, author, toolmaker, and professor of strategy at University College London. He’s spent over a decade helping businesses, not-for-profits, and government agencies design themselves to adapt to and profit from uncertainty. He holds a PhD from Harvard University and Harvard Business School. Vaughn Tan advises businesses and not-for-profits as a consultant and board member, working at the intersection of innovation management, product strategy, and organizational design. His expertise is in designing (or redesigning) organizations to be more innovative and resilient to uncertainty in the operating environment. Vaughn Tan lecture topics How to innovate in an uncertain…
