Expert on Cybercrime, Risk Management, Cybersecurity & Digital Revolution

Peter Hacker

Peter Hacker is a passionate speaker, entrepreneur and author on the topics of digital transformation, cybercrime and underwriting. He gives keynotes and lectures from Frankfurt to Sydney to New York and uses real-life examples to describe challenges, opportunities and solutions that have a lasting impact on companies and politics. The importance of cyber risks as a threat to Individuals, SMEs, Large Corporate Companies and Ministries has increased rapidly in the last 18 months. Cybercrime is booming and can have a massive impact on the security and stability of companies and countries. Peter Hacker runs his own boutique company. This Cyber…
