Futurist, Foresight & Scenario Expert, Executive Sparring Partner

Jan Berger

Jan Berger is president of the World Futures Studies Federation, the global association for futures studies founded in 1973, and founder and CEO of the think tank Themis Foresight. Today's leaders must act, even though no one can reliably predict tomorrow's conditions. This is precisely where Jan Berger comes in. As a futurist and executive sparring partner, he helps board members and executive teams examine the assumptions behind their decisions, identify interdependencies, and test strategic options against multiple plausible futures. His keynote speeches bring together technology, economics, geopolitics, and society. Rather than simply extrapolating individual trends, he synthesizes diverse developments…
