Cycling Record Holder & Expert in Performance, Resilience & Personal Responsibility

Monika Sattler

What sets Monika Sattler apart: 20 years of experience in high-performance environments—and a rare insight into both worlds behind them: business and sports. This dual perspective gave rise to CLIMB, her system for leadership teams that must perform consistently, no matter what comes their way. Monika Sattler studied international security with a focus on nuclear weapons and began her career at the IMF and the World Bank before moving into management consulting. Later, she traded strategy presentations for mountain passes—and set two cycling records, including completing all 124 Swiss mountain passes in 26 days. With the 30 Swiss Summit Challenge,…
