Futurologist, Trend researcher - Speaker from Generation Y

Tristan Horx

Since the age of 24, Tristan Horx has been a speaker from Generation Y on international stages. His topic is the future. He was born just before the turn of the millennium and thus belongs to the target group of so-called Millennials. With their interests and motives, they are the focus of many companies when it comes to questions of social change, culture, but also new economic thinking. Tristan Horx calls for a review of the outdated mindset. With visionary scenarios on the future of digitalisation, mobility, globalisation and sustainability, he provides food for thought. Our future is open -…
