

Expert in change management and new work, business psychologist, coach & mindfulness trainer

Svenja Mennerich

Svenja Mennerich talks about: Futureproofing the Workplace – Compassionate Leadership. Svenja Mennerich is an expert in the fields of positive psychology and business psychology. Her passion and expertise focus on promoting humanity in the workplace and strengthening mental health. Industry 4.0 and the corona pandemic are leading to epochal changes. Through the networking of the entire socio-technical system and the use of artificial intelligence, in which machines, people and processes are connected and exchange information in real time, we are experiencing a transformation that offers us an unprecedented variety of innovations and opportunities in almost all areas of life. Svenja...
