Expert on AI & Ethics, Business & Environment, Social scientist & Bestselling author

Dr. Léa Steinacker

Dr. Léa Steinacker holds a doctorate in social sciences, is a bestselling author, a member of the Board of Directors and a multi-award-winning entrepreneur. Her research focuses on the interface between technology, people, companies and the environment. In 2024, she published the book ‘Alles überall auf einmal: Wie Künstliche Intelligenz unsere Welt verändert und was wir dabei gewinnen können’ together with Prof. Dr Miriam Meckel, which became a national bestseller immediately after its publication. Léa Steinacker has been analysing the far-reaching effects of new technologies such as artificial intelligence for around ten years. She has published on numerous topics, including…
