Expert on the USA, Geopolitics & Geo-Economics

Dr. Josef Braml

Dr. Josef Braml is one of the world's most renowned experts on the United States and serves as European Director of the Trilateral Commission—an influential global platform that brings together an exclusive circle of political and economic decision-makers from the Americas, Europe, and Asia to jointly develop solutions to geopolitical, economic, and social challenges. With a Ph.D. in political science and training as a banker, he is the author of award-winning books and regularly publishes articles in leading German media outlets as well as international journals. In his engaging lectures, he provides practical insights into the key players and power…
