AI Expert, Serial Entrepreneur & Co-Founder Leaders of AI

Dominic von Proeck

Dominic von Proeck is co-founder of ‘Leaders of AI’, a company that trains managers in the use of AI technologies such as ChatGPT and prepares them for the profound changes brought about by artificial intelligence. As a pioneer at the intersection of education, neuroscience and AI, he pursues an ambitious vision: deciphering the brain’s neural code to fundamentally transform the acquisition of skills. As a sought-after keynote speaker and participant in podcasts and panel discussions, Dominic von Proeck has already spoken about artificial intelligence and new technologies in business on international stages in Europe, the USA and Asia. With ‘Leaders…
