

Mette Johansson Johansson

As an experienced leadership expert, Mette Johansson (MBA, CSP, GSF, PCC) combines years of practical experience with sound consulting expertise. After more than 15 years in management positions at multinational corporations, she founded MetaMind – a consulting firm with offices in Singapore and Dubai. MetaMind’s core focus is on the holistic transformation of leadership, corporate culture and employee engagement. The company pursues an integrative approach that takes into account organizational systems and processes as well as individual competencies and mindsets. The aim is to optimally align vision, strategy, culture and leadership behavior. “We need leaders who have the confidence to...
