

Jet pilot licensed to fly higher, in love with flying & top speaker on leadership & teamwork

Nicola Winter

Nicola Winter (*1985) – a pioneer with big ambitions. The pilot, speaker, ESA reserve astronaut, aerospace engineer and university lecturer in emergency and crisis management could become the first German woman in space. After more than a decade as a fighter pilot in the German Armed Forces – including being one of only three women in the Eurofighter cockpit – and several years as an instructor in the USA, she reached the rank of Major. In 2017, Nicola Winter was named “Forward Thinker of the Year” by the Boston Consulting Group and Handelsblatt. Her motto: “With courage, empathy, discipline, passion...”
