Influential trend and futurologist, visionary

Matthias Horx

Matthias Horx – Welcome to the Future! Even as a technology-loving boy in the 1960s, he was interested in the secrets of the future. After a career as a journalist and publicist, he developed into the most influential trend and futurologist in the German-speaking world. He published 20 books, some of which became bestsellers. He is Co-Founder and Mentor of The Future:Project, a think tank for holistic forecasting. He stands for a futurology that doesn't chase every fear or technology hype, but instead embraces the shift in consciousness. "The future emerges when we look at the world from the perspective…
