

# Jannis Johannmeier

Jannis Johannmeier is a PR expert & communications talent for the digital future. He is the founder of the communications agency The Trailblazers, with which he promotes change in Germany's society and economy. As a 'PR maverick' (Manager Magazin) and 'revolutionary' (Handelsblatt), Jannis is shaping the communications landscape in Germany like no other – with his unique blend of visionary thinking and powerful implementation. His currency is content, his mission the creation of a desirable future for all. As the initiator of 'The Trailblazers' and 'Open Champion', he drives economic transformation and creates spaces for people and their development. Following...
