

Martin Lück

Martin Lück is the founder and CEO of Macro Monkey, an analysis and consulting firm based in Frankfurt am Main. Founded in 2024, the company provides professional capital market participants with in-depth research and advisory services in the areas of macroeconomics, (geo-)politics, and financial markets. Before launching Macro Monkey, Martin Lück spent nearly 30 years in various roles at banks and asset management firms. Most recently, he served for over eight years as Chief Economist for UBS Germany and as Head of Capital Market Strategy for the DACH region and Eastern Europe at BlackRock, the world's largest asset manager.
