

Sönke Iwersen

Sönke Iwersen is one of Germany's most distinguished investigative journalists and a sought-after speaker on topics such as investigative reporting, economic crime, and media responsibility. With over two decades of experience uncovering high-stakes scandals, he provides unparalleled insights into the hidden machinery of corruption, fraud and corporate misconduct. Since 2006, Sönke Iwersen has been with Handelsblatt, where he has led the investigative research department since 2012. Under his leadership, it has become one of Germany's most formidable watchdog units, exposing fraud at the highest levels and earning multiple prestigious awards. Iwersen is also the driving force behind the acclaimed podcast...
