

Ali Mahlodji

Ali Mahlodji is an inspiring entrepreneur, encourager and visionary who is committed to the future of work, education and social change worldwide. He gives young people guidance, provides leaders with clarity and supports people in following their inner call. "If I manage to change the perspective of even one person, I have saved that person's world view and thus their future." Born in Tehran in 1981, Ali Mahlodji came to Austria as a refugee child, where he grew up in an asylum home. His life was anything but straightforward – he dropped out of school and gained experience in over...
