

Cabaret artist, Physicist, Author & Presenter

# Vince Ebert

Vince Ebert is a trained physicist and cabaret artist. For more than 25 years, he has delighted a wide audience with his stage programs and hosted the ARD show “Wissen vor Acht” for many years. His books have reached a total print run of over one million copies, and as a speaker he is one of the most sought-after in the country. After studying physics, Vince Ebert (\*1968) initially worked in management consultancy and in market and trend research. At the same time, he started his career as a cabaret artist in 1998 with the aim of communicating scientific and...
