

Michael Sandvoss

“It’s not enough to just become AI-ready. It’s also crucial to be human-ready.” – Michael Sandvoss Michael Sandvoss is a SMART:HUMAN® expert, speaker, trainer and mentor. His ideas and strategies for the AI era are based on his long career as a media and sales manager at renowned companies such as Huber Burda Media, Ziff-Davis in the USA and Germany, and Axel Springer SE. This experience is complemented by his work as an entrepreneur, mentor and coach. He combines in-depth business knowledge with insights from neuroscience, communication psychology and spiritual depth. As the founder and brand owner of SMART:HUMAN®, he...
