

Anna Kaiser

Anna Kaiser is an entrepreneur, investor and expert in transformation, female finance and capital justice. Anna Kaiser is one of the most prominent voices calling for the reshaping of our economic and working world. Having successfully led the award-winning HR tech start-up Tandemploy to its exit as its founder, she now dedicates herself, as co-founder and co-CEO of FemFinance Ventures, to what is arguably the most decisive lever for social change: the fair distribution of capital and power. Anna Kaiser Lecture topics Transformation of the economy and the world of work Female Finance: reshaping financial participation Capital justice as a...
