

Dr. Daniel Hunold

Dr Daniel Hunold lives and breathes New Work. As a speaker, he shows entrepreneurs, managers and employees how they can successfully implement New Work. His award-winning motivational style will sweep you away. In his keynotes, he addresses critical topics such as trust, communication, honesty, control and intrinsic motivation. Because only if you pay attention to these factors in your company will you be successful as a New Worker. In addition to his work as a New Work speaker, Daniel Hunold, who holds a doctorate in business administration, is currently building up his own start-up “Motiviert Studiert” in the area of...
