

# Bertrand Piccard

Bertrand Piccard is the initiator and visionary behind Solar Impulse, the very first airplane capable of flying perpetually without fuel. It is in his DNA to go beyond the obvious and achieve the impossible. As part of a legendary dynasty of explorers and scientists who conquered the heights and depths of our planet, he made history by accomplishing two firsts in aviation, circumnavigating the globe in a solar-powered airplane and before that non stop in a balloon. The ocean depths and the stratosphere attracted his father and grandfather; the challenges of our time fascinate him. With his dual identities as...
