

Scientist, Medical doctor & global influencer

Bertrand Piccard

Bertrand Piccard – Chairman of Climate Impulse, Präsident der Solar Impulse Foundation. Serial Explorer, Psychiatrist, Clean Technology Pioneer and global Influencer. From hang gliding as a young man in search of extreme challenges to circumnavigating the globe non-stop in a balloon – driven by a dream of achieving the impossible, deeply rooted in his family heritage. A second world tour followed, this time in a solar-powered aircraft – without fuel, powered only by the sun, and with limitless endurance. Out of this came a global movement designed to lead our planet into the era of clean technologies. This is the...
