Extreme adventurer, Geophysicist, Author & Award-winning Documentary Filmmaker

Anselm Pahnke

Anselm Pahnke: “I embraced the unknown and it became my friend.” Anselm Pahnke is a geophysicist and oceanographer, author, award-winning documentary filmmaker, small-town founder, builder of tiny houses, extreme adventurer and keynote speaker. His life and work revolve around one central question: How do we find our bearings in an uncertain world – and the courage to break new ground? From an early age, he was fascinated by the forces that drive people and those that hold them back. To understand these mechanisms, he studied geophysics and evolutionary biology. After completing his thesis, he made a conscious decision not to…
