

Kamales Lardi

Kamales Lardi is an experienced strategist specializing in digital business transformation, disruptive innovation and emerging technologies. Kamales Lardi is the perfect combination of an experienced digital strategist and engaging speaker, with implementation experience and insights to share. Her management consulting experience is derived from over 21 years of specializing in strategy, business optimization and technology implementation. Kamales incorporates that experience to offer engaging keynotes that are tailored to the needs of the audiences, sharing knowledge, lessons learnt and insights through real stories. In May 2022, Kamales Lardi has become Managing Director of ValTech Switzerland. Kamales Lardi Lecture Topics Strategy Under...
