IT Security Expert, Member of RED TEAM

FIL Red Team

FIL from the Red Team is an international security expert in cybersecurity. A RED TEAM challenges your company or organisation. With purpose. And with your consent: the only goal is to increase your security. They help business owners and security managers identify what risks are hidden in every aspect of their business model and offer concrete solutions – to sustainably protect your corporate assets. FIL Red Team Lecture topics The Enemy inside. Social Engineering – The enemy inside you Cybersecurity is just the beginning – Olympic Games and Pandora's Box The Dark Side of IoT – The Power of Things…
