Business Futurist, Podcast Host, Board Advisor & LinkedIn Top Voice

Sven Göth

Sven Göth is a business futurist and expert in innovative technologies. As a renowned speaker on topics such as artificial intelligence, he inspires a wide audience with his keynote speeches at both large events and exclusive corporate events. Sven Göth is particularly valued for his ability to identify emerging trends and technologies at an early stage and to help companies use them to develop new business models. He is a passionate advocate of the transformative possibilities of Artificial Intelligence, Blockchain and the Internet of Things (IoT) and demonstrates how these technologies can revolutionize business processes and create competitive advantage.
