

René Adler

René Adler is one of the best-known and most popular German soccer personalities of the past 20 years. As an opinionated player, goalkeeper for the national team and leader on and off the pitch, he made a name for himself in the fast-moving soccer business. To this day, René Adler is a sought-after and popular interlocutor with fans and the media. After more than 300 games of experience at the professional level – with many ups and downs, from relegation battles to title races, from the Champions League to relegation matches – nothing can faze the Leipzig native so quickly...
