Expert in geopolitics and technology, Head of NZZ Academy, Independent board member

Manuel P. Nappo

Manuel P. Nappo explains a world that has changed its rules. As head of the NZZ Academy and an independent board member, he brings together topics that are usually discussed in separate panels: geopolitics, technology and the decisions that follow from them. His starting point is a sober one. The world has not become unstable — the rules that ensured stability have ceased to function. Those who understand this see a pattern behind the daily news and a decision behind the pattern. This is precisely where Manuel P. Nappo leads his audience: away from the noise, towards the question of…
