

Anders Indset

Anders Indset is one of the world's leading business philosophers and the author of seven international bestsellers. He is recognised as a valued sparring partner for top CEOs and major politicians around the world. With more than 1,500 speeches in over 60 countries, he inspires leaders, politicians and decision-makers globally at the intersection of people and technology. His ability to accurately predict future developments makes him a sought-after source of inspiration at the world's most important conferences, including the World Economic Forum (WEF), the Global HR Summit and the Mobile World Congress. Indset's unique style combines Norwegian values and charisma...
