

# Connie Dieken

Connie Dieken is a world-renowned expert on the future of leadership influence and change, Emmy-Award Winning Broadcaster, Best-selling Author and Influence Lab Founder. Her work focuses on enhancing the human side of leadership influence in the age of artificial intelligence. Her insights and methods empower leaders to drive positive change in an increasingly fragmented and challenging world. With over 20 years of research at the Influence Lab, she supports leaders in maximizing their performance and profitability to achieve transformative outcomes. She has developed three innovative tools for leadership influence, which are used by executive teams worldwide. As a keynote speaker,...
