Expert for Digitalization, Digital Transformation and Industry 4.0

Vera Schneevoigt

Vera Schneevoigt was Chief Digital Officer of the Bosch Building Technologies division until September 2022. Bosch Building Technologies is a leading international supplier of products and systems for security and communications as well as for building digitization and automation. Before joining the Bosch Group, Vera Schneevoigt was Managing Director at Fujitsu Technology Solutions GmbH, where she was responsible for development, production, logistics and purchasing for the product business outside Japan. In this position, her focus included the development and introduction of new technologies against the backdrop of advancing digitalization. She also managed the Group's development and production site in Augsburg….
