Lisa Eckhardt – Surfer Mindset for Companies, Managers and Employees Management and extreme sports have many parallels. Courage and a willingness to take risks, for example. But there is much more that we can learn from athletes in everyday business life. Kite surfer Lisa Eckhardt shows you! Open your mindset and get to know six essential factors that you associate with a surfer. Imagine you are far out at sea – there is no land in sight – and suddenly a steering line of your kite breaks! What do you do? Many people would react in panic in this situation. With good...
