Expert for Innovation & Transformation, Futurologist

Aileen Moeck

Aileen Moeck is a futurologist and expert for innovation and transformation with the mission to turn people into active future shapers by activating the future muscle and motivating them to bring their own visionary ideas into the world. After studying futurology at the FU Berlin, she founded the non-profit educational initiative “Die Zukunftsbauer”. In 2018, she received an award from the German Federal Ministry of Education and Research as part of the Science Year “Working Worlds of the Future” for her commitment to bringing future thinking to schools. Aileen Moeck Lecture Topic A new view of the future! The impulse…
