

Joe Navarro

Joe Navarro worked as an FBI agent for 25 years, specialising in behavioural assessment. He is a renowned expert on non-verbal communication, body language and behavioural patterns, an effective negotiation trainer and author of the bestseller “What Every BODY is Saying”. In lectures, he talks about building leadership skills. At the age of 23, Joe Navarro was personally invited to join the FBI, becoming one of the youngest agents in the history of this prestigious investigative agency. Over a period of 25 years, he served faithfully with the FBI, working both as an active agent and in a senior counterintelligence...
