Meteorologist & TV presenter - Expert Climate change & Sustainability

Sven Plöger

Meteorologist and weather presenter Sven Plöger has been in front of the camera since 1999. Alternating with his colleagues Claudia Kleinert and Karsten Schwanke, he presents “Das Wetter im Ersten” before the news and after the news. He also guides other TV weather programs in ARD’s third channels and contributes to various documentaries on the subject of weather and climate. Whether it’s climate change, the energy transition or other topics related to the weather, sustainability and looking to the future, Sven Plöger, a popular graduate meteorologist as well as TV presenter, knows all about the interrelationships between weather and climate….
