

Experienced expert in transformation, strategy implementation and leadership during times of change

# Dr. Frank Arnold

Dr Frank Arnold speaks at leadership conferences, management meetings, transformation events and congresses where the aim is not merely to explain change, but to enable leaders to put it into practice. His talks are aimed at board members, senior management, entrepreneurs and top executives. They focus on the specific issues facing companies today: How can organisations remain capable of acting when markets, technologies, customer expectations and collaboration are changing? How does impact go beyond good intentions? And what does leadership require to ensure that strategy is not merely decided upon, but implemented in day-to-day operations? Frank Arnold combines strategic analysis...
