

# Daniela Landherr

As a global leader in a multinational technology company, lecturer in academia and corporate board member, Daniela Landherr brings unique skills to create transformative and tailored workshops. She offers the inspiration and experience to positively change and motivate your culture and organisation. To this end, in addition to lectures and keynotes, she also offers trainings for leaders and imparts to her participants the tools it takes to develop people, teams and organisations. Daniela Landherr knows how to inspire an audience. As an expert in inclusive culture and innovation, she is a sought-after keynote speaker at conferences and corporate events. (more...)
