Expert on sustainability, ESG & CSR

Dr. Norbert Taubken

Norbert Taubken has been advising companies in the field of sustainability, ESG and CSR for over 20 years. As a natural scientist and educator, he thinks interdisciplinary. He has had insights into more than 100 client companies, from DAX corporations to medium-sized family businesses to eco-specialists. His approach is always a pragmatic one: How can the requirements from the regulatory side result in an approach that fits the business interests and culture of a company? In the end, he is all about taking people along on the journey to greater sustainability. Norbert Taubken lecture topics: Sustainability, ESG & CSR -…
