

Expert for strategy, innovation & organization, bestselling author, management consultant, research fellow

# Dr. Lysander Weiss

The innovative entrepreneur Dr. Lysander Weiss, sets groundbreaking impulses in the linking and development of science and practice. With an impressive career as a management consultant and multiple bestselling author, Dr. Lysander Weiss is one of the most sought-after drivers of impulses in the field of strategy, innovation and organisation. In his role as Senior Research Fellow at the HHL Leipzig Graduate School of Management and Adjunct Professor at Woxsen University in India, he devotes himself to intensive research in the field of “strategic entrepreneurship”. His publications therefore always benefit from the latest findings from academic research as well as...
